## CLASS OF CBS (Bio, Genetics, Wildlife, etc.) 1979

It's been **40 years** since we graduated as the Class of CBS '79 **so let's celebrate!** [Alumni Weekend is June 21-23, 2019](#) and we have some great events planned for our class kicking off with a tremendous dinner on Friday evening at the University Club in the UC. Bring photos to put on a **PHOTO BOARD** to peruse during the reception hour while we enjoy tunes from the 70's.

## ALUMNI WEEKEND INFORMATION

Check in early and enjoy the Alumni Reception at the Delta from 2 pm to 4 pm on Friday – this is for all colleges and all years! See friends from other colleges: remember Aggie friends?

Book now for this incredible opportunity to catch up with old friends and revisit our alma mater! Please share this information with the classmates you've remained connected with, so everyone has the date marked in their calendars. Registration is under **CBS CPS 79** since we are partnering with CPS 79 (Biochem/Chem/Physics/Computer Science etc.).

If you are on **Facebook**, we have a closed group you are welcome to join ([Guelph University Reunion CBS](#) (Bio, BioChem/Chem, Genetics etc.)). We can share ideas prior to the reunion and make sure we stay together.
